Transformation Spirits Does It Again

New Louisville Distillery Wins Multiple Medals at the 2018 San Francisco World Spirits Competition

LOUISVILLE, KY. (April 20, 2018) — Botanical-based Louisville spirits producer Transformation Spirits' soon to be released London Dry Gin (84 proof) and Limited Release Bourbon Barreled Gin (90 proof) are 2018 San Francisco World Spirits Competition (SFWSC) Bronze Medal winners. Both gins also are 2018 American Distilling Institute Craft Spirits Awards Bronze Medal winners.

The San Francisco World Spirits Competition is considered one of the most influential spirits competitions in the world. Started in 2000 with the purpose recognizing top products in the craft spirits industry. The 2018 SFWSC received over 2,200 entries, the biggest in its history, and spirits were blind judged by a panel of over 40 experts in the industry, including acclaimed critics, mixologists, and restaurateurs. For more information about the SFWSC visit www.sfspiritscomp.com.

Transformation Spirits will be releasing the multiple award winning London Dry Gin and Limited Release Bourbon Barreled Gin in June 2018. Initially, the gins will be available throughout Kentucky at both packaged liquor stores and on-premise bars and restaurants.
